

## COST OF ENROLLMENT

Students enrolling in Dual Enrollment for Dual Credit courses must pay regular tuition as required by the institution at the time of enrollment unless covered by alternative sources.

## SCHOLARSHIP OPPORTUNITIES AT NORTHWEST-SHOALS COMMUNITY COLLEGE

**Workforce and STEM Courses:** Students entering a Workforce program may register for a CTE course through the high school counselor who submits the appropriate documentation to the College. The counselor at the high school should submit a proposal including the estimated number of students who are planning to register for STEM and CTE courses and the selected programs to request funds on a yearly basis.

### Scholarships

The STEM Scholarship for dual students covers the cost of tuition and fees for the following courses:

Subject	Course Number	Note
Math (MTH)	100, 110, 112, 113, 125, 116	<b>Students must meet all applicable pre-requisites prior to enrolling in courses. <u>Developmental Courses</u> (those numbered below 100) are not covered by the scholarship.</b>
Biology (BIO)	101, 102, 103, 104, 201, 202, 220	
Chemistry (CHM)	104, 105, 111, 112	
Physical Science (PHS)	111, 112	
Physics (PHY)	115, 201, 202, 213, 214	
Computer Science (CIS)	All CIS courses	

## CTE Courses Eligible for Dual Enrollment Scholarship at Northwest-Shoals Community College

CODE	Program
ACR	Air Conditioning/Refrigeration
AUM	Automotive Technology
CAR	Carpentry
CHD	Child Development
CIS	Computer Science – Cyber Security and Software Development
DDT	Drafting
ELT	Electrical Technology
EMT	Emergency Medical Services EMT Certificate
INT	Industrial Systems Technology
MAT	Medical Assisting Technology
MSP	Machine Shop Technology
NAS	Nurse Assistant
OAD	Business Office Management

**Note:**

- Students taking CTE courses must meet with their instructor prior to choosing a Career Pathway. Students must remain in their Career Pathway after that.
- Scholarships can cover up to two classes per student, per semester (fall and spring semesters) during the high school academic school year.
- Students may take up to four classes during the summer term.
- Students who fail a course will not be allowed to continue in the DE Workforce Scholarship Program.

**Courses not covered by STEM and CTE Dual Enrollment Courses include:**

Courses in Area I Written Composition	ENG 101, ENG 102 *Exception: A student taking a CTE course along with English, can be covered by the grant for both courses. Example: WDT108 and ENG101. Student must be enrolled in a CTE Career Pathway to be eligible. English must be included in the approved Career Technical program of study.
Courses in Area II Humanities and Fine Arts	ENG271, ENG272, ENG 251, ENG252, ENG261, ENG262, SPH107, ART100, MUS101, PHL106, REL151, SP101, SPA201
Courses in Area IV: History, Social and Behavioral Science	HIS 101, HIS 102, HIS 201, HIS 202 ECO 231, ECO 232, GEO 100, POL211 PSY 200, PSY 210, SOC 200, SOC 210
Salon and Spa Management	Any COS or SAL course in the Salon and Spa Management Program.

**Academic Courses:** Students taking an academic course on either campus at NW-SCC are eligible for a \$100 reimbursement per semester through the **Northwest-Shoals Community College Foundation**. Withdrawal from the class will result in students having to reimburse the Foundation for the scholarship awarded. A NW-SCC Foundation Application for Reimbursement should be submitted each semester. Students receiving a tuition waiver or PACT funds are not eligible.
