### **Number of Eligible Students**

Northwest-Shoals Community College had 1,455 students eligible to receive Emergency Financial Aid Grants under Section 18004(a)(1) of the CARES Act. The CARES Act provides emergency financial aid grant funds to address the financial need of students due to the disruption of campus operations and the related expenses they incurred. Therefore, the CARES Act limited eligibility of emergency grants to students who were actively participating in courses and programs that were not exclusively **online on or after March 16**. Additionally, the U.S. Department of Education determined that international and undocumented students were not eligible for federal grants.

Within the total population, institutions were instructed to determine eligibility criteria for distribution of the grant and encouraged to prioritize students with the greatest need.
